### Small-Ship Cruising Done to Perfection

It takes a discriminating traveler to seek out small-ship cruising. . . one who isn't looking for glitz and glitter, but rather a pursuit of the exceptional. . . an opportunity to expand your horizons. . . combined with relaxing and enjoying uncompromising luxury. At Pearl Seas Cruises, we offer small-ship cruising—done to perfection.

Our exceptionally large, gracefully appointed staterooms surround you with all the comforts of home in a casually elegant atmosphere. You'll cruise into scenic areas beyond the reach of larger ships—docking in the heart of exciting ports and quaint coastal villages—and discover a diverse array of fascinating destinations almost delivered to your stateroom door.

Our small ships offer something else: you'll build lasting friendships with like-minded travelers who share your intellectual curiosity and sense of adventure, all in a relaxing, pampered atmosphere. Along the way, our expert lecturers will enrich, entertain, and enlighten with historical and cultural points of interest, natural history, and wildlife. You'll marvel at the music and folklore of native musicians, entertainers, and storytellers. And at every port, you can opt to join in on our planned activities and excursions, meander at your own pace, or blaze a new trail. . . it's up to you.
