

Show me what I own.

As seen in Forbes magazine.

Show me what it's worth.

SS&C gives you the investment information you need, on-line, in real-time. Not tomorrow. Not next week. Not next month.

Our software systems deliver timely, actionable information that

Show me now.

helps you react immediately to

changes in the market, and make more profitable investments and strategic business decisions.

SS&C's products are designed to meet rigorous investment requirements, and are developed and supported by experienced, dedicated professionals who thoroughly understand your investment process.

Maximize return. Minimize costs. We speak your language.
